- Concept Mapping

Constructivist Approach, drawn from Jerome Bruner (1966)

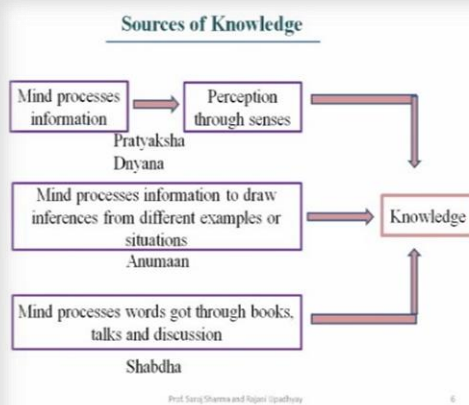

Students apply prior understanding to determine attributes of a concept through the processes of comparing and contrasting.

Structured Inquiry Approach

- Distinguishes between relevant and irrelevant information
- Observe, classify and hypothesize
- Connect newly attained concepts with old information
- Think inductively

Main purpose of CAA :

- Enhance long term learning and enable students to develop a habit of analysis through inductive reasoning
