NOTICE:

Date: 22.08.2024

**\*National Space Day\***

The Government of India has declared August 23rd of every year as 'National Space Day' to commemorate the success of the Chandrayaan-3 mission, which accomplished the safe and soft landing of Vikram lander at 'Shiv Shakti' point and the deployment of Pragyaan Rover on the lunar surface on 23rd August, 2023.

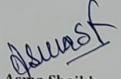

Being the maiden National Space Day, it is proposed to organize widespread celebrations throughout the country in the month of August, 2024.

You can be a part of this great celebration by participating in the following activities.

- 10 grade-specific modules on Chandrayaan were launched last year which have been translated into 13 regional languages. You can go through these Chandrayaan modules available at: <https://ncert.nic.in/chandrayaan.php>
- Bharat on the Moon portal <https://bharatonthemoon.ncert.gov.in/> was launched last year. You can visit the portal and participate in the various activities and achieve certificates.

Dear students, you are cordially invited to join in the celebrations marking this great accomplishment of our nation by engaging in the aforementioned activities through the links provided above, and inform us about your participation by August 23, 2024.
